Please help us to create a Parish Register
and address system by completing this
form and returning it to the Priest's house

Dear Parishioners,

We ask all parishioners to complete the new parish registration form contained herein. In line with new GDPR (General Data Protection Regulation) the data you give us will be fully secure and it will not be distributed to any third parties and the only people with access to it will be the Parish Priest and / or the Parish Administrator. If you decide in due course that you no longer want your details stored on the Parish database, just let us know and we will delete it.

If you are interested in joining or participating in one of the activities or Ministries in our Parish, please complete the back of this form. For each family member, put a **tick** against any activity in which they are already involved, or a **cross** against that in which they would like to become involved.

We thank you for your help.

Fr James Joseph SAC
